BROUGHT TO YOU BY ARIEL BABY

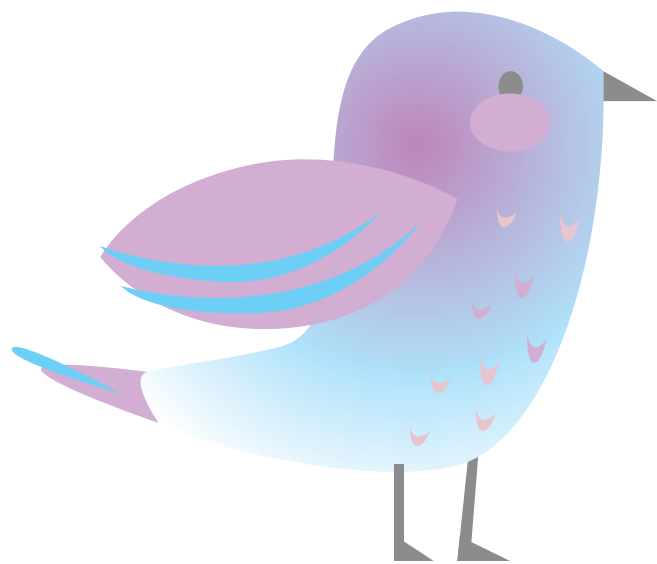

bio
or non
bio

The essential difference between bio and non-bio detergents is that bio detergents contain certain enzymes that are very effective at cleaning stains.

I've been using
fairy non bio and
the white comfort
to wash all of my
lil lady's clothes

CUDDLY

SNUG

Get a non-bio
detergent, if you
really want a fabric
softener look for one
that says its gentle
on skin etc,

OFTEN THE MOST
ENJOYABLE ACTIVITY
WHILE WAITING
FOR BABY IS
PURCHASING CLOTHES.

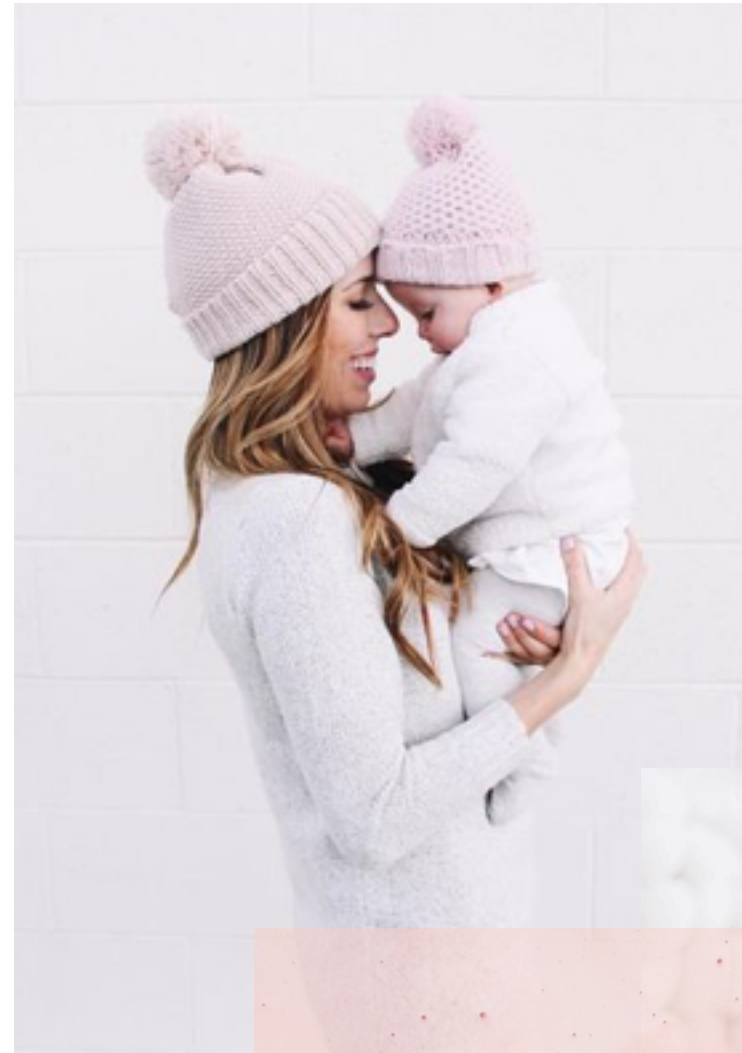

THE CLOTHES ARE
IN CLOSE CONTACT
WITH YOUR BABY'S
SENSITIVE SKIN,

IT IS VERY
IMPORTANT TO
TAKE GOOD CARE
OF BABY'S CLOTHES.

an
off

Wide necks or
snaps at the neck
make dressing
easier.

Neck openings
should be large
and easy to
manipulate.

The bottom
should have easy
access to diapers.
